Article is also available in other languages:

PL

The Investor's Tax Service Centre has been established at the Ministry of Finance to support key investors both at the moment they become interested in Poland as their investment destination and afterwards.

The Centre's task is to proceed [investment agreement](#) and manage information policy dedicated to investors.

The Investor's Tax Service Centre task is to support key investors that plan or have started an investment worth at least PLN 100 million (PLN 50 million starting from 2025).

The investor will be able to conclude an agreement with the Minister of Finance regarding the tax effects of the investment. Thanks to the Investment Agreement (Ruling 590), the investor can use this one place to obtain:

- an advance pricing arrangement,
- a securing opinion against general anti-avoidance rule;
- a Binding Excise Information,
- a Binding Rate Information,
- an individual tax ruling.

The business owner will not need to submit separate applications to different NRA authorities.
